The world's controllers...baby I'm one
I'm runnin the world with sunglasses on
See we got a system and that's for sure
Can't beat the system, can't beat the law
I know you're a lonely billionaire but there's
More money to ma-ake
All those people sittin at the top
Danglin their feet right in your fa-ace

Give me the world and then give me Mars
Give me the Universe and give me the stars
Give me the space and baby give me the time and
baby
Give me your mi-i-i-i-nd

Give me the world and then give me Mars
Give me the Universe and give me the stars
Give me the space and baby give me the time and
baby
Give me your mi-i-i-i-nd

We got a system and that's for sure
Can't beat the system, can't beat the law
Secret societies are everywhere
That carpark is my secret lair
Do you like power, do you like control?
Finally we've all got somewhere to go

Give me the world and then give me Mars
Give me the Universe and give me the stars
Give me the space and baby give me the time and
baby
Give me your mi-i-i-i-nd

Give me the world and then give me Mars
Give me the Universe and give me the stars
Give me the space and baby give me the time and
baby
Give me your mi-i-i-i-nd

Arrr yea-eah
