Starving to death
Starving now
Starvin Marvin is comin round
You crossed the Ts and baby dotted the Is
I dotted the Ts and baby crossed the Is and baby
Your degrees
You want another degreez ya better freeze baby
With your PHDs
But time's runnin out
Will you die happy?

I was in a funeral man
When I should have been takin the exam
Huh... examine
Time for the examiner to staminate
Stamma stamma, stamma the score
Wh-wh-wh-wh-what
Was your test score?
Zero or was it minus 10
Minus 500 and I'm back again
