Playground Song Â© 2009 Frederick Roussel

Told me I could paint and  
You told me I could draw  
Doesn't look like there's gonna be any  
Need for me any more  
See you makin statements about  
Poverty it seems  
You used my picture you never  
Told me what it means

I'm gonna build a playground baby  
And give these kids some hope  
Put you on minimum wage now baby  
I know you can cope  
I'm gonna build a playground through your cleverness  
And give these kids some hope  
Put you on minimum wage now baby  
I know you can cope

Thank-you for the playground baby  
Modern art ain't here  
All these kids are happy ain't got no  
Statements in their ears  
Look at all this criticism  
Now the art has gone  
If you disagree with me then your  
Statements were all wrong!

I'm gonna build a playground baby  
And give these kids some hope  
Put you on minimum wage now baby  
I know you can cope  
I'm gonna build a playground through your cleverness  
And give these kids some hope  
Put you on minimum wage now baby  
I know you can cope

Can't see nothin there but a  
Blank space  
Spendin all this money on it  
But it's a waste

Call yourself an artist baby  
You don't even paint  
I'm gonna throw you a-  
way
