Baby this is Roussel Radio

Time for another god damn f\*\*kin show)

Baby got a broken head  
Fractured wife and she's upset  
You all think you're civilized  
But I can't stand your civil lies

(yeah this is roussel radio baby)

I'm walkin out the door  
(I'm walkin to my radio)  
I'm goin through the town  
(I'm gonna pick up the receiver)  
I still got on my uniform...heh  
I'm goin to meet my maker now  
He's playing golf

Baby lets see who's quick to draw  
Sonny little boy been in the wars?  
I sure do like your uniform  
Well i've finally got a cause worth killin' for

Baby lets see who's quick to draw  
Sonny little boy been in the wars?  
I sure do like your uniform  
Well i've finally got a cause worth killin' for

This is what's behind the secret door  
This is what tomorrow has in store  
This is what your days of crap paid for  
This is why you never break the law

This is what's behind the secret door  
This is what tomorrow has in store  
This is what your days of crap paid for  
This is why you never break the law

Baby got a broken head  
Fractured wife and she's upset  
You all think you're civilized  
But I can't stand your civil lies

(don't touch that god damn dial)
