I don't want no state control Baby don't want no state control I don't want your state control Baby, state control

Why don't you raise the taxes on the very very rich? Another original idea is going to leave your lips Why don't you take the rich and beat them with a stick? Another original idea is going to leave your lips

I don't want no state control Baby don't want no state control I don't want your state control Baby, state control

"Hello. I am your government friend. Please key in your Citizens Security Number now"
