Streetwise Kids Â© 2009 Frederick Roussel

Streetwise kids know where the garbage is  
Do you know where the bahamas is?  
I've been so many places that you couldn't afford  
I'm on holiday while you're breakin the law  
I got culture, I got class, born with a silver spoon up my  
ass  
I don't pretend to be working class  
All those jerks just make me laugh

Streetwise kids know where the garbage is  
Do you know where the bahamas is?  
I've been so many places that you couldn't afford  
I'm on holiday while you're breakin the law

Take these peasents dump them in the sea  
Baby just feel that tropical breeze  
What's your postcode baby you can have mine  
I am gonna get wined and dined  
By some chick that you couldn't afford  
Baby stay down, stay poor

Streetwise kids know where the garbage is  
Do you know where the bahamas is?  
I've been so many places that you couldn't afford  
I'm on holiday while you're breakin the law  
I got culture, I got class, born with a silver spoon up my  
ass  
I don't pretend to be working class  
All those jerks just make me laugh

It's the streetwise kids  
It's the streetwise kids
