Some young girl
Some old dog
Let's wrap this up now baby
Let's wrap this up now baby

Murder victim
35
Divorced no kids
Wrap this up now baby

The golf club
Send a couple of cars
Some guy got an injury
Wrap this up now baby

2 kids fighting
One of them on his own
The kid broke his leg
Wrap this up now baby

I make friends with all the murderers before I
Put them awa-a-ay
I like the murders
I like the way they sta-a-ay

Phone taps baby I'm on the line
Private investigators don't think twice
Phone taps baby nowhere to hide
My swat team's waitin outside
Baby I ain't the FBI
Uhuhuhuh I bring down your life

Some young girl
Some old dog
Let's wrap this up now baby
Let's wrap this up now baby

Tell me all of your political views
I'll broadcast them on the news
You won't be here very long
Baby you are very wrong
You are stupid, you are blonde

Where has all your make-up gone
