Leave the giant alone
Leave it a'leave it, leave the giant alone
Leave him a leave him just leave him alone
Leave it aleave leave leave him alone
Baby baby baby...uh!
You little bully...You little bully
Just leave him alone
Put those files down baby
Put those files down baby
Put those files down baby
Stop recording baby
Put those files down baby
Put those....
Giant alone
Baby leave it aleave it
Baby baby
Leave it aleave it
Leave the giant alone
Leave it a leave it just leave it alone baby
baby
Just leave the fascist alone
Leave that trained assassination squad heh heh
Alone oh...Just leave em alone
You little bully...You little bastard
Just leave em alone
Leave em alone

Leave it aleave it just leave em alone
Leave it leave leave...
Leave the giant alone
