I am Foamy  
You don't know me, but you'll obey  
I do not trust you, I don't believe a word you say  
How can you say you're right  
when you live a life so wrong  
You contradict yourself,  
so I'll write another squirrel song AGAIN

You are so ugly, so butt-ugly  
Why won't you die?  
I would like to stab you in the eye  
With a really hot french frie  
You never shut up, what the fuck's up  
with your chosen path  
You're so stupid I'll have to open up a can of squirrelly  
whoop-ass  
open up a can of squirrelly whoop-ass  
open up a can of squirrelly whoop-ass
