(talking)

All over the world  
I am seen  
As the perfect squirrel  
Can't you see  
What I see  
You're blinded with stupidity  
Yes it's true  
I can see right through you  
What to do  
It ends soon  
So look to yourself for the truth  
And know I will one day rule the world  
And know I will one day rule the world  
HMMMMMMMMMMMMMM

(talking)

I hate to be right  
And I hate to be wrong  
To know that you people  
Know nothing at all  
To center yourself  
Is your furthest most thought  
For mammals so large  
Your brains --- are so small  
Don't you know anything?  
I'll ask you all once again  
Don't you know anything?  
I don't think so

(talking)

I've said it before  
You're all dumb as a doornail  
You'll never see  
So I'll have to repeat  
You're all dumb as a doornail  
I'll say it again  
You're all stupid  
I'll say it again

You're all f\*\*\*\*\* dumb  
I'll say it again  
How could you be so f\*\*\*\*\* stupid?  
I'll say it again  
You fat b\*\*\*\*\*  
I'll say it again  
Don't you know anything?  
I'll say it again  
Go f\*\*\* yourself when the credits come on  
I'll say it again  
Go straight to hell  
I'll say it again  
Your all a bunch of assholes  
I'll say it again  
You all f\*\*\*\*\* suck  
I'll say it again  
Yeah, I'm repeating myself  
I'll say it again  
Why don't you just go kill yourself?  
I'll say it again  
I'll say it again  
You all need to die in your sleep  
I'll say it again  
You all need to be hit by a car  
I'll say it again  
Can you stop being stupid for 5 minutes?  
I'll say it again  
No I won't
