"You Walk With Me"

Is it the wind, over my shoulder?
Is it the wind that I hear gently whispering?
Are you alone, there in the valley?
No not alone for you walk, you walk with me

Is it the wind there, over my shoulder?
Is it your voice calling quietly?
Over the hilltop, down in the valley
Never alone for you walk with me

When evening falls and the air gets colder
When shadows cover the road I am following
Will I be alone there in the darkness?
No, not alone, not alone and I'll never be

Never alone you are walking
You're walking with me

Is it the wind there, over my shoulder?
Is it your voice calling quietly?
Over the hilltop, down in the valley
Never alone for you walk with me
Over the hilltop, down in the valley
Never alone for you walk with me

Never alone for you walk with me
