Weak, alone and in my messy world  
Something's missing  
From this suddenly I freeze my heart  
But I cant stop this feeling  
That is screaming  
That is screaming inside my soul  
So I search and Im searchin

For Your Love  
I could die for you  
For Your Love  
Break my heart in two  
For Your Love  
Climb a mountain high  
For your love  
Lost among her lie  
Her lie...

Thoughts and words into my crowded mind  
Were left unspoken  
I've been building up a wall inside  
But now I wanna break it  
I'm just fed up  
I'm just fed up with this game  
Now I'm ready  
I'm readyyyy

Free me from the chains that I've been given  
From the looks that ive been carryin  
Foolish things that ive been told  
Now I'll go to the top  
Never fall I wont stop  
I'll walk by what I choose  
I will pay all my dues  
I would die for a kiss cause its you that I miss  
Cause im ready for your love  
Ready for your love...

For Your Love  
I could die for you  
For Your Love  
Break my heart in two

For Your Love  
Climb a mountain high  
For your love  
Lost among her lie  
Her lieÂ...
