Drop kick the punks, we want a change  
BlaspHEME the pop, call out the freaks  
Pay off the jockeys, then call the cops  
Queue up the news reporting c-c-company trucks

Hoist the antenna, pirate the waves  
Dust off the tables and broadcast the plates  
Amp the fly trap plant called Venus  
And jab a cold fork in the sp-p-p-speaker

Ah, we're force fed pop cultures shit  
We're staying up late thinking  
What the fuck is this?

Eins, zwei, drei, vier, funf, sechs, sieben, acht
