Slow down this is slippin' through my mind,  
This conversation has run out of time.  
Honey I know you know what I mean,  
And that's the one thing that you soon will find.  
I know that you really wanna go,  
My mind is runnin' outta gas just relax,  
And recap, and relapse.  
Tonight, my bodies jumpin' and I,  
Go through the motions and I'm leaving on this  
journey,  
Maybe someday I'll come running home to you.

I don't wanna see the day, my words cannot make it  
safe.  
(Come running home! Come running home!)  
Her heart in my hands, it's too bad, no regrets  
I don't wanna see the day, her tears are falling on my  
grave.  
(Come running home! Come running home!)  
This is my one chance, to take back, no regrets

Let's go, I just wanna let you know,  
This situation leaves me outta breath  
We'll drive till the love that's in your eyes,  
Drops to the ground, unravels like a thread  
I know that you really wanna go,  
I only think about her, must get to her, cannot lose  
her.  
You know that I will not reconcile,  
Life support systems and my mind on  
Rewind and rewind and rewind

I don't wanna see the day, my words cannot make it  
safe.  
(Come running home! Come running home!)  
Her heart in my hands, it's too bad, no regrets  
I don't wanna see the day, her tears are falling on my  
grave.  
(Come running home! Come running home!)  
This is my one chance, to take back, no regrets

I don't wanna see the day, my words cannot make it

safe.  
Her heart in my hands, it's too bad, no regrets  
I don't wanna see the day, her tears are falling on my  
grave.  
This is my one chance (my one chance, my one  
chance)
