dizzy on the thrill ride
heating up the west side
you're so outtaline
i need air water daylight

he kisses like a thrill ride
winning by a landslide
he's so outtaline
i need air water daylight

lemme see u dance
easy on the disco
lemme see your roots
lemme see your hips go
where is that blonde ambition
sensation, red temptation

lemme see u dance
i could look at you all night
the avalanche
everybody groove gone wild.
where is that blonde ambition
sensation, red temptation

elemental
either you've got it or u don't
and you've got it.
(he's so outtaline)

and you've got it.

underground cisco
lemme see your roots
lemme see your wrist go
