Love child you're wastin' your breath on me

Love child you're wishin' that spell on me

Push into me

Head go whoosh when you kiss me

But love child you won't have your way with me.

The sun'll make you crazy.

You're a low shine hustler

The heat's gonna crush ya

You're a now shine hustler

Your system is crashin'

Love child you're spinnin' my truth on me

Love child you're takin' such liberties

Lyin' to me

Shut your eyes when you kiss me.

But lately your memory's been killin' me.

The sun'll make you crazy.

You're a low shine hustler.

The heat's gonna crush ya

You're a no shine hustler.

Your system is crashin'

But hearts are mustangs.

My heart's a mustang

Our hearts are mustangs.

I don't know the rise of your back

The curve of your fingers or

How you attack.

I don't know the sound of your voice or

Who you call out for

Or whether you like women.

But anyway, I don't care.

Just tell me what it's gonna be like.

You're a low shine hustler.

The heat's gonn' crush ya
You're a no shine hustler.
Your system is crashin'

But hearts are mustangs.
Our hearts are mustangs.
My heart's a mustang.
