stick with me
i'm hot sahara
i hear death valley's
got the drama
voice from the volcano
born under a fire sign
legends are born in summertime

i'm heating up the jungle
i'm heating up the jungle
i'm cueing up the summer
i'm dishing up some summer
voice from the volcano
steaming up the windows
legends are born in summertime

c'mon baby
splash-a splash-a
fresh as daisies
lemon water
u are my oasis
u under the palm trees
niagara falls in summertime

i'm heating up the jungle
i'm heating up the jungle
i'm dishing up some summer
you're cooling off the jungle
fresh as lemon daisies
u are my oasis
legends are born
and then we walk away.
