I'm gonna tell you somethin' good.
sister we're dancin'.
I wanna get you in the mood.
sister keep dancin'.

I set it all up, it plays like this...
anyway you like it.
I've been pushin' my luck
to flip your lid.
ain't nothin' but a reflex.

Let's settle this
Hush Madame X
That last silhouette
played Madame X...you are.

You talk about me
well i think that's cool
but can you keep a secret?
If you add it all up
I'm sweet on you
ain't nothin' short of weakness
you know in your heart
and i knew you knew
but we dance around the subject.

we shadow we shadow we shadow we shadow

I'm gonna tell you somethin' good.
sister keep dancin'
well, there's a system to this room
and you thought we were dancin'

i been savin' it up and it flows like this
groovin' like you like it.
I've been pacin' myself
to take that risk.
ain't nothin' but a reflex.

You talk about me
well i think that's cool
i can keep a secret?

If you add it all up
i want you to.
ain't nothin' short of weakness
you know in your heart
and i knew you knew
but we dance around the subject.

we shadow we shadow we shadow we shadow
