Hey big spender
lose your goldiggers, won't you?
This world's a girl (uh-oh) in trouble
and she's needin' 6 figures, won't you?

won't you
light her fire
light her fire
light her fire

if you
light her fire
light her fire
light her fire

you'll feel so
International....
I feel so
International...

Hey jetsetter
boozin' down the river, won't you?
This world's a girl on a bender
she could use some warm and tender, won't you?

won't you
light her fire
light her fire
light her fire

if you
light her fire
light her fire
light her fire

you'll feel so
International....
I feel so
International...

This is an exercise in poor taste.
All you high-brow braindeads with your big foreheads.

La de da de da
All you high-brow braindeads with your big foreheads.
La de da de da

you'll feel so
International....
I feel so
International...

light her fire
light her fire
light her fire

c'mon and make it rain
honey can you make it rain?
honey can you make it rain?
right now right now right now.
