take me back  
to your scene  
take me back  
sound machine  
take me back

your system's bad like that.

lay me back  
old memphis soul  
lay me back  
jelly roll  
lay me back

your system's built like that.  
baaaad.

60's girl in her tunnel of love  
sexy motorola  
60's rambler rollin' around  
60's slim solid gold lighter  
set the city on fire  
60's groove in her belly of love.

take me back  
to your scene  
take me back  
sound machine  
take me back

your system's bad like that

lay me back  
like that  
lay me back  
zodiac  
lay me back

your system's built like that  
baaaad

60's girl in her tunnel of love

sexy motorola  
60's rambler rollin' around  
60's slim solid gold lighter  
set the city on fire  
60's groove in her belly of love.

take me back  
to your scene  
take me back  
sound machine  
take me back

your system's bad like that

lay me back  
like that  
lay me back  
zodiac  
lay me back

your sister's built like that  
baaaad

dinah girl say it again  
say it again dinah girl  
dinah girl say it again  
say it again dinah girl

60's girl in her tunnel of love  
sexy motorola  
60's rambler rollin' around  
60's slim solid gold lighter  
set the city on fire  
60's rambler go for a ride

Future plans  
In reverse  
Progress damned  
That's our curse

The system's built like that

60's girl in her tunnel of love  
sexy motorola  
60's rambler rollin' around

Take me back, take me back, take me back  
60's slim solid gold lighter  
set the city on fire  
60's rambler go for a ride

Lay me back, lay me back, lay me back  
60's slim solid gold lighter  
set the city on fire  
60's groove in her belly of love
