heavy hand exciting beats  
i know exactly who you are  
let me love you mystery  
you have a bit of film noir  
in your eyes...

in your eyes  
in your eyes

my eyes are filling up with rain  
your crying game to play  
my makeup running down my face  
the classic tracks of pain  
a little bit of rain, that's all  
a little bit of rain, that's all  
that you are  
but for now i'm just your  
crying game to play. ohhhhhh

heavy man exotic beat  
how you tease of love bizarre  
let us love you libertine  
you're every breath thru history  
is a lie  
is a lie  
is a lie  
is alive.

my eyes are filling up with rain  
your crying game to play  
my makeup running down my face  
the classic tracks of pain  
a little bit of rain, that's all  
a little bit of rain, that's all  
that you are  
but for now i'm just your  
crying game to play. ohhhhhh

heavy hand exciting beats

Let me love you mystery

my eyes are filling up with rain
