[Phonte] Yo, ay-y-y-yo, check it Aiiyyo I be the rap  
golden child That's old school like Heinekens and  
lowering brows Used to get bent but I'm sober now and  
these days that's how I hold it down Look over crowds  
like a fatal attack Overdose style, I'm stopping niggas  
dead in they tracks Before they even start a beef to get  
it settled on wax You better email or send in a fax,  
don't make the most of it You talking loud just cause  
the hoes love it I treat beef like otiose and y'all ain't  
tryna go public or go at it, supposedly mad at me  
Tripping with name brand emotional baggage It's big  
time, the ride don't be approaching the average I'm  
roasting you faggots cause I'm so diplomatic and  
that's just the way we doing it y'all Cause I ain't got no  
fuck around time like Cesar, yo I woke up from a dream  
today Thinking bout how I'm gon' get some fuckin  
cream today So many emcees to crush and teams to  
slay So many rhymes to write, so many things to say  
And yo we still ain't willies or thugs, can't concede new  
thoughts Hip Hop needs some infertility drugs Cause  
this rap shit supposed to be art Niggas tryna eat but  
everybody got a grocery cart Rap should be beautiful  
like raindrops or walks in the park A child's first steps  
or even playing roles in the dark I'm parallel to the  
culture just composing my thoughts Coming back to  
the music we supposedly lost Get some Gs one day  
and we can hopefully floss Get together for real,  
together for real Cause I ain't got no fuck around time I  
spend my moments in the lab putting down rhymes  
and if you ain't fam, get the fuck from around mine I'm  
making sure my cards are dealt right Sound bomb but  
stealth mics, and when it's on stage it's hell tight and  
give a fuck what you felt like Cause it ain't given till I  
say it is Nigga, stop tryna help Ike and get the fuck out  
my spotlight with all your spitting This year we getting  
that turkey with all the trimmings On tour with all the  
womens, looking like we pushing more weight than  
Richard Simmons with chicks from more religions  
Cause that's how we doing it and that's how we living If  
you're getting it good, then yo, we gotta get it right  
now
