Ba-dee-ba-dum-waaaaaay-oh.. Ba-dee-ba-dum-waaaaaay-oh.. Ba-dee-ba-dum-waaaaaay-oh.. Ba-dee-ba-dum-waaaaaay-oh.. [Phonte] Hey, baby boy Lying sound asleep I hope you dream of lullabies and clowns.. The more you, open your eyes the harder to believe So here's a song for you when you are down, are doooown... [Chorus] 'Cause only heaven knows What to make of these changing times But for tonight, let's just leave it all behind I know this world's so cold But don't let teardrops change your mind So for tonight, let's just leave it all behind Heeey, hey, baby boy Lying sound asleep They say a child like you's one of a kind (One of a kind, God will GUIDE US) We dream of life, playing in the sun So please don't ever be afraid to shine (whoaaa-oaaa, whoaaaaa..) [Chorus w/ ad-libs and choruses again] LEAVE it All Behiiiind!
