[Intro:] (Phonte)

I'm gonna need you to sing this one in a minute...

You ready? (yeaaaaaah)

Uh! Sing to me

Yeah... Sing to me

Y'all know that feeling of love that just make you feel so warm inside?

I swear there ain't nothing' like it y'all...ain't in beautiful?

[Verse One:] (Munsinah)

Love this feeling

So reminiscent of feelings before

So glad to see there's more

With you days are easier

And more alive and real

Your heart is what I'm here for

[Chorus:] (Phonte)

I want to call you everyday

When I ain't got shit to say

This must be love (be love...yeah)

Bring you some wings on your lunch break

Like, baby how's your day'?

Twelve piece, fried hard...it's all for you

[Chorus Cont...:] (Munsinah)

It's just something inside us

Something that guides us closer to truth

This is something to behold, ooh

It feels so new loving again

[Verse Two:] (Darien Brockington)

I like the place you take me

A place of love & safety

Your love's all I wanna know

Darling you're such a blessing (such a blessing)

A love refreshing (So refreshing)

You're the one I've waited for (I've waited for)

[Chorus:] (Phonte)

I want to call you everyday  
When I ain't got shit to say  
This must be love (be love...yeah)  
Bring you some wings on your lunch break  
Like, baby how's your day?  
Twelve piece, fried hard...it's all for you

[Chorus Cont...:] (Munsinah)  
It's just something inside us  
Something that guides us closer to truth  
This is something to behold, ooh  
It feels so new loving again (One more time,  
baby I don't think they heard you)

[Chorus Cont...:] (Munsinah)  
It's just something inside us  
Something that guides us closer to truth  
This is something to behold, ooh  
It feels so new loving again

[Verse Three:] (Phonte) (Rapping)  
Uh, Uh, Uh, Uh...  
So hot you're melting  
When you fall down I'll lend a helping  
Hand to measure  
Cause I'm your pleasure  
Principle like Mr. Belding  
When the bell rings  
We change classes  
From welter to heavyweight upgrade passes  
Weekends where we resort  
To all your favorite resorts  
Have a couple drinks go out dancing  
On the dance floor, doin' our two step  
People they wonder, wanna know who the eff  
Is this dude, he  
Acts so cooley  
I just school these niggas like UNICEF  
You can do the rest  
I see through your dress  
Make a nigga weak in the knees  
The birds & bees and the dos & don'ts  
Something to behold  
I know what you want...I know what you want

[Chorus Cont...:] (Munsinah)  
It's just something inside us  
Something that guides us closer to truth  
This is something to behold, ooh  
It feels so new loving again
