I'm starting over one more time,  
I don't like what I've become.  
I've lost so many people,  
Do you see where I'm coming from?  
I'm tarring down the walls again,  
This hasn't worked for me.  
I need to find a new life,  
But what am I supposed to be?

I don't want a worry in the world.  
So this life isn't right for me.  
I know I need to start over.  
Because this life isn't right for me.

I've given the wrong impression,  
Of what people think of me.  
And all I have is my mistakes,  
For as far as I can see.  
I'm looking for a new way out  
Please don't leave me in the dark.  
There's no tunnel and light for me,  
Because we are too far a part.

To everyone out there,  
I'm sorry if I've caused pain to you.  
But you can take me word on this,  
For now on I will be true.
