I need someone who, will help me through.  
My problems and fears, and trials too.  
I need someone to help, me thru thick n thin.  
Someone who'll always, be my friend.

I want to, thank you.  
For helping, me through.  
For being, there for me.  
No matter what, friend I may be.  
For helping me with, the rough times.  
For helping me with, the hard times.  
I couldn't ask for, anything more.  
But that's what, friends are for.

And those nights that we, would stay up late.  
Just talking about, how life is great.  
I promise I won't, ever forget.  
No matter what, My life will get.

And it's these times, that keep me alive.  
And it's these times, when I don't hide.  
And when I think, I can't take anymore,  
You're beside me, like every time before.
