Visit "[All Said And Done](#)" on [MotoLyrics.com](#)

It's all said and done
There's nothing you can do
No way to change my
feelings
You can't make me like you

Don't even ask me how
I said this all
before
That I don't like you now
Because you're just a whore

[chorus]
So
don't try to change my mind
I say we're out of time
Cause I see past your
wall
That says that we're both fine

I saw you two there
Just chillin in
the sun
Just you and Scotty Mitchell
Like he's the only one

It seems that
you forgot
That I was with you first
You tried to make it up to me
But now
you're just the worst

[chorus]
So
don't try to change my mind
I say we're out of time
Cause I see past your
wall
That says that we're both fine

So go back where you came from

Don't stay
cause you're not welcome
Don't even ask me how
I said this all before
That I
don't like you now
Because you're just a whore

[chorus]
So
don't try to change my mind
I say we're out of time
Cause I see past your
wall
That says that we're both fine
