Crime scene, it's the party scene
Everyone's been drinkin and livin free
Not
a care in the world and nobody's sober
Now the cops are here and the party's
over

Everyone's got gum and listerine
Try to fool the cops and leave in one
piece
But that's just a dream, just a fantasy
Not a chance in this
reality

[chorus]
These stupid kids
They just keep fallin
I don't know
why
But its appalling

Cause now you're wasted, fainted
You're
inebriated
You waste your life away

And before you know it
You are gonna
blow it
And you'll regret that day

First time that you tried a sip
You
thought it wouldn't hurt a bit
I'm sorry but that was wrong of you
Cause that
one first time turned into a few

You do it just cause its not allowed
One
kid gets a hold of it and leads the crowd
Now he's all cool, and they're all

screwed
Cause one kid died from overdose of
booze

[chorus]
These stupid kids
They just keep fallin
I don't know
why
But its appalling

Bridge
Everyone trips on nonsense
Watch your step, you'll
end up flat on the ground

[chorus]
These stupid kids
They just keep fallin
I don't know
why
But its appalling

[chorus]
These stupid kids
They just keep fallin
I don't know
why
But its appalling
