I'm so alone  
There's people all around me  
But I'm still on my own

So far  
from home  
I'm lost inside my head  
And there is nowhere to go

I'm  
speechless  
I've got nothing to say  
Cat's got my tongue  
But I'm dumb  
anyways

[chorus]  
I don't know why I'm here  
I don't know anything at  
all  
Can't tell what's wrong and what went well  
My life's become a living  
hell

And hopefully  
The answer's just around the bend  
Somehow I'll find a  
way to put  
All these frustrations to an end

What can I do?  
I'm  
flabbergasted, I'm confused  
To you I salute

You loneliness  
You conquered  
me so valiantly  
Threw me in the abyss

I'm speechless  
I've got nothing to

say  
Cat's got my tongue  
But I'm dumb anyways

[chorus]  
I don't know why I'm here  
I don't know anything at  
all  
Can't tell what's wrong and what went well  
My life's become a living  
hell

[chorus]  
I don't know why I'm here  
I don't know anything at  
all  
Can't tell what's wrong and what went well  
My life's become a living  
hell
