Where  
Where did you come from?  
I  
I used to be so lonesome  
But now  
Iâ€™ve got  
someone to stand by my side

Sheâ€™s  
The only one  
Sheâ€™s all I need  
Sheâ€™s all  
I need to live and breathe  
I want to tell her just how much she means to  
me

[chorus]  
Oh Rose  
Youâ€™re blooming in my mind  
Youâ€™re spreading  
everywhere  
Youâ€™ve grown to be so fine

Oh Rose  
The sun that lights your  
face  
Leaves it without a trace  
Of shadow or deface

How  
How can I  
explain  
That Iâ€™d do anything  
To be by your side all the time

So  
So close  
your eyes and I will show  
Just how far Iâ€™d go  
To be with you right  
now

[chorus]  
Oh Rose  
You're blooming in my mind  
You're spreading  
everywhere  
You've grown to be so fine

[chorus]  
Oh Rose  
You're blooming in my mind  
You're spreading  
everywhere  
You've grown to be so fine

[chorus]  
Oh Rose  
You're blooming in my mind  
You're spreading  
everywhere  
You've grown to be so fine
