I've been searchin' for somethin' I might never find  
I've been lookin' for somethin' I have left behind  
I've been searchin' every day in the rising sun  
I've been tryin' to find my way till the day is done  
I've been searchin' mmh mmh mmh mmh  
I've been reachin' for somethin' I might never touch  
And I've been dreamin' of somethin' that I want so  
much  
I've been countin' all the tears in the fallin' rain  
I've been tryin' to hide my fears but it's all the same  
And I don't know if I'll ever pass this way again  
I can't wait until tomorrow  
It's somethin' I might never see  
I can't wait until tomorrow  
For tomorrow never waits for me  
Tomorrow never waits for me  
I can't wait until tomorrow  
It's somethin' I might never see  
I can't wait until tomorrow  
For tomorrow never waits for me  
Tomorrow just won't wait for me  
Tomorrow never waits for me  
I've been searchin' for somethin' I might never find  
And I've been lookin' for somethin' I have left behind  
I've been countin' all the tears in the fallin' rain  
I've been hidin' all my fears but it's all the same  
And I don't know if I'll ever pass this way again  
I can't wait until tomorrow  
It's something I might never see  
I can't wait until tomorrow  
For tomorrow never waits for me  
I can't wait until tomorrow  
It's not the place I wanna be  
I can't wait until tomorrow  
For tomorrow just won't wait for me
