(Gary Moore)  
Used to be so easy  
To give my heart away  
But I found out the hard way  
There's a price you have to pay  
I found out that love  
Was no friend of mine  
I should have known  
Time after time  
So long, it was so long ago  
But I've still got the blues for you  
Used to be so easy  
To fall in love again  
But I found out the hard way  
It's a road that leads to pain  
I found that love  
Was more than just a game  
You're playin' to win  
But you lose just the same  
So long, it was so long ago  
But I've still got the blues for you  
So many years  
Since I've seen your face  
Here in my heart  
There's an empty space  
Where you used to be  
So long, it was so long ago  
But I've still got the blues for you  
Though the days come and go  
There is one thing I know  
I've still got the blues for you
