In the back of a mini cab
Me and Georgie and Nigel and Sadie:
Can I use your mobile?
Can I use your mobile, Sadie?
On our way to Shoreditch;
Off to Fabric in Shoreditch:
Duffer St. George and I don't care.
Duffer St. George and I don't care.
On a Spitalfields Sunday
Get a two pound curry and roll ups;
Get a 12p bagel and a camouflage t-shirt and
bracelets.
Let me check the stalls first;
Nige wants a pint first.
Duffer St. George and I don't care.
Duffer St. George and I don't care.
