(2:57)

In the 1850's abolishment was runnin' high
Slaves tried to run away, then go on and hide
When they were caught, they were punished heavily
When you think about it, it's really hard to believe
I feel the same way with you, I can't go anywhere
Without you nagging me about, something way out there

Like who I was with, and where I was going
I don't like it much at all, It's time for me to leave

CHORUS x 3

You got me in your slavery
I'm wrapped up in your slavery
I'm escaping from your slavery
I hate your stinkin' slavery
Your slavery, slavery
