I'm Jon Boy Jon  
I'm simple like a possum  
I'm John Boy John  
My girlfriend thinks I'm awesome

We met at our family reunion  
I saw her there by Grandma Claire  
I loved her in an instant

And I know I'm plumb out of my head  
We are first cousins and the gene pool ain't too deep  
And I know our kids'll be inbreed  
But I'm in love, and I'm losing sleep

I remember the first time I met 'Lizbeth Daisy Blossom.  
My heart went skitter-patter!  
And I knew she was the only one for me.  
And if I could, I would marry her in a big ol'  
Celebration down at the Super Wal-Mart down at the  
County line.

But I know it's wrong  
And I don't wanna have none of those freakish,  
webbed-  
Toe blue smurf babies  
But, I just can't help it... I just... Well, I... I  
Just...

I love her  
But since our moms are sisters  
We won't wed  
I'll never be her Mister

It's not fair  
Our union can't be legal  
We'll never date or consummate  
'Cause lovin her is wrong... ish

I love her  
She loves me

But we're cousins

I'm pathetic Jon Boy Jon
