What's this I can't see
What I am meant to be
I just want to relax
And Try to be myself

This crap is killing me
Try to save me now
It's useless I told you
Just leave me alone

Chorus:
You can try
But the naked eye
Can't see
What I'm going through
Living in this world
Try to make a living
Just try to be myself
But it's useless

What's this supposed to be
Living in this sea
Of stars
Wanting to be myself

I shriek and I cry
From all the pain
I am going through
It's useless
Don't try to save me

Chorus:

Bridge:(2x)
Don't trust in me
The naked eye can't see
What I really am

I'M A MONSTER!

Chorus:
