Ha-ha-ha-ha...

Yeah

Ha-ha-ha-ha

This goin out to yo gal

Nigga

I fucked yo gal and called yo baby a bastard

Me strokin the pussy while she was workin on the thigh  
master

In the 'Point a lotta hoes get fucked

Cause it's a everyday thing when I'm gettin my dick  
sucked

Now it's time to expose

Yeah nigga, I fucked the shit out of your gal Rose

It ain't no thing to me

Makin love to your gal while your baby's sleepin next to  
me

Nigga, yo gal is a trick

Before me she wouldn't even suck yo dick

Neckbone, learn to turn her on

Give her some headphones and she'll pick up that  
microphone

Oh yeah, could it be

See, I nutted in the mouth, now I'm the new daddy

Came down yo chimney like Santa Clause

Payin yo wife a visit for them fuckin drawers

(Ooh, I like it)

Cause you're givin me goosebumps

Check it, I'm struttin across stage at a show

And AMG's backstage with some rug-head hoe

I'm throwin dope rhymes, hoes doin their dance and  
shit

Hands on their knees, pussy wide open I bet

I'll be off state soon

And I'ma join King Daddy cause he's fuckin in the  
bathroom

Jump Out Boyz got problems

Our dick's on hard, maybe you can help us solve em

Yeah, I'm addicted

Hoes like fuckin me cause I get reflcted

Throw your feet over your shoulders for good luck  
Your girl got fucked while we was doin the booty-up  
In and out, push, it push it  
Don't get me hype, I fuck around and eat the pussy  
Give your ass stomach humps  
So chill out with that hoe shit, bitch, cause you're givin  
me goosebumps

Yeah Fesu

I see what you're sayin  
A nigga gotta pimp these hoes in '93, man  
It's all about breakin hoe-ass niggas and bitches

See, first things first when you're fuckin with a bitch  
Find out if she's broke and if not, break that bitch  
Cause I got game, I got game  
Oooh, I hope these hoes got the same  
Look at them titties and them nipples  
Aw baby, I wanna come on your ass dimples  
Why you wearin that g string?  
You say you ain't a freak but you ain't new to the damn  
thing  
Don't trust a bitch, hearts get broke  
My ex gal loves me but steady fuckin that nigga Loc  
I fell in love with Julie when I was a young buck  
I wonder where she at, I need my dick sucked

(I get goosebumps)--> PMD
