

Five Minute Riot "Wait Up"

on my way down the coastline
and i'm seeing it clear

a million miles down the road
and a million in my head

sent a message on the wire
that i'm breathing again

and i'll be on my way to make sure
that the message sent

wait up, wait up
i'm coming right around the bend
wait up, wait up
i'm coming home, yes i am, yes i am
i'm coming home, take my hand, take my hand

breaking down, i'm getting sober
and i'm thinking again

watch the clock 'cause i'm getting older
i'm just faded

i know that your love runs deep
and i just want to stay

i know that you're loving me
and now i want to stay
i want to stay
