O, Adonay per quem omnia  
liberata sunt  
libera me ab omni malo.  
O, Adonay per quem omnia  
consolata sunt  
consola me.  
Amen.

As sunlight fades  
and nightfall embraces  
this cold and lifeless land.  
Only the damned...  
Only the sentenced...  
Roam among  
other creatures of night.

The thick icy mist  
that covers the water,  
and hides the ground that I walk on.  
All I can hear  
are the voices of demons  
laughing and casting their spells.

On these endless autumn nights  
I rise and walk once more.  
On these darkest autumn nights  
I pursue my endless journey.

In black freezing water  
I see your reflection,  
the drops of blood from my hands.  
In silence of night  
I cry out thy name,  
just to hear the echoes that answer.

The moon turns to blood  
and casts my shadow  
on the narrow path ahead.  
The road that is covered  
in tears and wither  
and leads me towards the end.

On these endless autumn nights  
I've burned a thousand candles.  
On these darkest autumn nights  
I've heard the silent cries.

As the candlelight grows dim,  
so the echoes of these voices die.
