[Intro]

Heh heh heh

Oh we gon' do it again son (son of a...)

Son of a mother, son of mother son of... mother

I hope (hee hee hee) oh snap

Whoah-HOOO! What?

[Flavor Flav]

Just to keep it real wit'chu, what's the deal wit'chu?

What's this shit I feel wit'chu?

Everything is goin wrong yo

This shit has been goin on too long yo

We gotta put this thing on the right track

We gotta put it back - to where we once had it before

Don't you remember we had it goin on galore?

Louis' and more? (Gold rings?)

Everybody was eatin, I was meetin and greetin

Lookin good from the head to the feet and

Didn't give the kids a beatin, I was a good dad yo

(YEAH!)

Even when I became famous

I took the whole family to the shows

The kids with the snot runnin out they nose

Jumpin all out of my limos

Now that's the life I chose

[Chorus: repeat 2X]

I ain't scared to come through your town

Flavor Flav be layin it down

I won't die, I can't drown

No one can take Flavor down

[Flavor Flav]

I tried, I tried, I tried, I tried

In every way I couuuuuuuuld

To make you see how much I love you

As I understoooooooooooood

Everywhere I moved (you trapped me) {SAY WHAT?}

I put my guards down (you slapped me) {KICK IT

FLAV~!}

I trust you in again (you jerked me) {WHAT BABY?}
I try to work with you (you overwork me) {NOOOO!}
You're only for yourself (and you know it) {NOT AGAIN}
You're gonna take a lose (and you'll show it) {WATCH
IT}
Come here baby (don't bother me) {WATCH OUT}
Come here baby (DON'T BOTHER ME!!!)

[Chorus]

[40 seconds of instrumental]
