[Intro]

Mmmmmmmmmmmmmmmmmmmmm yeahhh yeahhh  
Ohhhhhhhh oahhhhhhhhhh yeahhh

[Flavor Flav - singing]

Sometimes you feel like you got no one  
And your back is up against the wall  
And your legs get real weak  
And you feel like you want to fall (want to fall)  
All your strength is gone, there's no hope to live  
Then you say to yourself - I gave all that I got to give  
But I can't give up the fight, I gotta keep it movin  
God gave me the power to keep it strong, not losin  
God is here with me right now, sure as I rip these flows  
Sure as the trees and the grass and the flowers grow  
He's the reason why I'm gonna let it show

[Chorus: Flavor Flav]

If you feel like showin some love toniiiiight  
Let it show, let it show  
If you're happy and you know it and not afraid to show  
it  
Then - let it show, let it show  
If you feel right cause you finally got to see the light  
Let it show, let it show  
Take it from Flav because I'm not afraid to let it show  
Let it show, let it show  
Let it showwwwwwwwwwwwwwwwwww  
Showwwwwwwwwwwww-owwwwwwwwwww-owwwwwww

[Flavor Flav - singing]

This one goes out to all the people, that sleeps on the

This goes out to all my boys, locked up in jail  
That's right we got your back, don't you know we know

And don't you know theys got our back, no matter what

Don't you know, that God gave me this power and I let it

[Outro: Flavor Flav]  
Ayyo check this out  
This one goes out to all the people right now that's  
sleepin in the graveyard  
You know what I'm sayin  
Old grandmothers and grandfathers, y'know the ones  
we miss dearmost y'knahmsayin  
The ones that's, was very close to us, that just passed  
away, y'knahmsayin  
But that's just their body gone  
But their spirit is gonna always be here forever  
And y'all need to know that, y'knamsayin  
So take it from Flav, because God gave me the power,  
to let it show  
Y'knahmsayin, toe to toe, Flav, let it show

{\*ad libs to end\*}
