Heyah Heyah Heyah Heyah Hey,
I'm thinking about you, I'm a love shy babe
got to got to get together be strong
cuz I know our love will be coming and i won't be love
shy anymore

Sometimes I run when I wanna stay,
Cause of the life that were living,
You gotta watch what your saying,
And when I see you I wanna hide,
I'm a little afraid of the feeling,
But what you you want your losing

And deep inside is a love,
Calling out your name,
But I'm not the kinda boy,
To pay the price that you say,
Don't think that I don't wanna get involved with you,
Cause all I wanna do is try to understand baby,

Heyah Heyah Heyah Heyah Hey,
I'm thinking about you, I'm a love-shy babe
got to got to get together be strong
cuz I know our love will be coming and i won't be love-
shy anymore

Try to be patient I know its hard,
But what do you want from a writer,
Who's still kinda single,
And when you think of attention straight,
Remember the love is a waiter,
Cause its a life don't confuse it

You know I spend the first Saturday nights,
In the telephone where I can get in touch and then say
things,
For the emotion takes my mind out all the time,
For now the sun is shining I wont be love shy anymore,

Heyah Heyah Heyah Heyah Hey,
I'm thinking about you, I'm a love-shy babe
got to got to get together be strong
cuz I know our love will be coming and i won't be love-

shy anymore

Heyah Heyah Heyah Heyah Hey,
I'm thinking about you, I'm a love-shy babe
got to got to get together be strong
cuz I know our love will be coming and i won't be love-
shy anymore
