Aquarius, Libra, Leo, Cancer
Ralph, Charles, Paul, Larry

Float, float on
Float on, float on
Float, float, float on
Float on, float on

Float, float on
Float on, float on
Float, float, float on
Float on, float on

Float, float on
Float on, float on
Float, float, float on

Aquarius, Libra, Leo, Cancer
Ralph, Charles, Paul, Larry

Aquarius and my name is Ralph
Now I like a woman who loves her freedom
And I like a woman who can hold her own
And if you fit that description, baby, come with me

Take my hand
Come with me, baby, to Love Land
Let me show you how sweet it could be
Sharing love with me, I want you to

Float, float on
(Come on, come on, come on, baby, yeah yeah)
Float on, float on
(Ooh, ooh, baby)
Float, float, float on
Float on, float on
(Float with me)

Libra and my name is Charles
Now I like a woman that's quiet
A woman who carries herself like
Miss Universe

A woman who would take me in her arms
And she would say, "Charles, yeah"
And if you fit that description
This is for you especially

Take my hand
Come with me, baby, to Love Land
Let me show you how sweet it could be
Sharing loving with me, I want you to

Float, float on
(Girl, yes)
Float on, float on
(With Charles)
Float, float, float on
(Ooh, yeah)
Float on, float on

Leo and my name is Paul
You see I like all women of the world
You see to me, all women are wild flowers
And if you understand what I'm sayin', I want you to

Take my hand
Come with me, baby, to Love Land
Let me show you how sweet it could be
Sharing love with me, I want you to

Float, float on
(So float with me, baby)
Float on, float on
(Yeah)
Float, float, float on
(Float with Paul, y'all)
Float on, float on

Cancer and my name is Larry
And I like a woman that loves everything and
everybody
Because I love everybody and everything
And you know what, ladies, if you feel that this is you
Then this is what I want you to do

Ooh, yeah, take my hand
Let me take you to Love Land
Let me show you how sweet it could be
Sharing your love with Larry, listen

Float, float on
(You better float with me now)

Float on, float on
(Float on)
Float, float, float on
(Yeah, yeah)
(You better float on)
(Float on)
