Baby, you know, I can't believe that you're not here
But it's so lonely without you
Everybody should have someone to cuddle up close to
And hold them tight

I, I've got to find you, wherever you are I want you to
come back
I, I, I need you, baby, I, I, I, I want you, baby
I just long to be holding you in my arms
If you come back here, you, you don't have to stay
You don't have to say you love me
Just come back to me please, please just listen

When I said, girl, I needed you
You said, you would always stay
Wasn't me who changed but you
And now you've gone away

Don't you see, girl, that now you're gone
And I'm left here on my own
That I have to follow you
And beg you to come home

You don't have to say you love me but just be close at
hand
You don't have to stay forever, I will understand
Believe me, believe me, I can't help but love you
Girl, believe me, I'll never tie you down

Left alone with just a memory
Life seems dead and quite, quite unreal
All that's left is loneliness
There's nothing left for me to feel feel

You don't have to say you love me but just be close at
hand
You don't have to stay forever, I will understand
Believe me, believe me

You don't have to say you love me and I'll understand
And you, you don't have to say you need me, girl, I'm
your man

So believe me, please, believe me, baby, yeah
You know what, I'm your man, baby
I'm your man, baby, I'm your man, baby
I'm your man, man yeah

Take my hand, baby, take my hand, baby
Understand, baby, that I'm your man, yeah
[Incomprehensible]
