Say what, say what, say what?

[ both ]

I'm packin blue steel (3x)

[ VERSE 1: Li'l Fame ]

Plow! I'm shootin muthafuckas in the belly

Spread em like jelly, play em like skelly

I'm representin for the real niggas

Fake moves, make moves, you fuck around, I have to  
kill niggas

I pack a nine that have em wanna box

With a gun or I can knock em out the box with a ox

Niggas gotta pay the piper then

And I know you're mad, cocksucker, because it ain't no  
type of wins

Niggas throw rhymes, I throw rhymes back

If niggas wanna throw crime, I throw crimes back

If niggas wanna throw props, I throw props back

Them niggas wanna throw shots, I throw em back and  
lay em flat

So if you ever think of tryin to get loose

I do your ass like Bishop did Rahiem in \_Juice\_

Kid, I'm tellin you now you can't afford it

And I bust a nigga ass quick on the mic that's extorted

Crazed, I rock for days on blaze with Laze E Laze

You niggas get blazed, the Fame can't be fazed

Huh, you couldn't make us for a try out, punk, you die  
out

I wet shit up even when I got the dry mouth

It's time I let em know the deal

Nowadays shit is real, so I'm packin blue steel

[ Billy Danzenie ]

Say what, say what, say what?

[ VERSE 2: Billy Danzenie ]

Clack-clack, salute from the ill nigga Bill

I represent Gunsmoke Hill, I'm packin blue steel

I'm comin at you to take your wealth

If I endanger your health that's cause you did that your  
damn self  
I blow your muthafuckin back out, I keep a ill feelin  
I'm wide open like ?John Dillon?  
When you come, you better be armed, son, see, I works  
with mine  
You know what's happenin to you, it's 'hammer time'  
Out the streets a real raw man  
I'm top dog, man, I'm your connection with the morgue  
man  
For my peoples I put 2 in your face  
(Clack-clack) ?????? with some ??????  
Cause Danzine ain't fakin no jammers  
A herb nigga tremor, real niggas ??????  
It's cool to see em bangin for that new school  
And all my niggas, they work with they tools

[ Billy Danzenie ]  
So make a move (make a move)  
Lick shot (lick shot)  
[ Li'l Fame ]  
Make a move (make a move)  
Lick shot (lick shot)  
[ Billy Danzenie ]  
Make a move (make a move)  
Lick shot (lick shot)  
Make a move (make a move)  
Lick shot (lick shot)

[ Li'l Fame ]  
Yo Bill, you got the ifth? (Yeah, yeah!)  
One in the head? (Yeah, yeah!)  
[ Billy Danzenie ]  
You got the pound? (Yeah, yeah!)  
Let's kill em dead  
[ Li'l Fame ]  
But first I wanna get some, you really gonna diss em  
Cause I'ma blast his muthafuckin ass like a ?system?  
[ Billy Danzenie ]  
Yo, if you go we all do, cause you know we all crew  
Somebody fuck with me, I know they got to fuck with  
you too  
And cocksucker, you want it  
In your next life you're nailed just like the last bitch  
nigga that fronted  
[ Li'L Fame ]  
So if you want beef just set it  
Because it don't cost nothin to send your ass to the  
paramedics  
The four-pound'll make em hit the ground  
So buck em down (buck em down)

Buck em, buck em, buck em down

[ Li'l Fame ]
