even bare my load

Hustle everyday when we touch the road, yo mi just,
can't leave the streets

STREET LIFE!!! It give me money and my food and my
bills dem paid

STREET LIFE!!! Now everybody calls you plus because
you got shit made

STREET LIFE!!! Di house pon di hills wid di pool sittin
unda di shade

STREET LIFE!!! Oh Oh the STREET LIFE!!! Honor that!!!!

[Verse One: Billy Danze]

Now you can sit around and watch it all go down
around you

Or you can imitate the ways the killers and cars move
You can't simulate the days when they played by the
rules

And if you wasn't in the maze you really can't drop
jewels

You really can't understand, how a boy could be fooled
And when he turned twenty nine he still need to be
schooled

See it's a difference in takin a stand and mannin up
As apposed to bein a man and standin up

Listen I already been there

that book of live men small section of survivors my
name in there

From rollin with the riders, you couldn't pretend there
With live men beside us, we still couldn't win there

They showed us how to send there, and get the
attention of the Feds

And be the stars when the eulogy is read

The way they worship in the bread, the day is not ok
For good people that may never get ahead, let us pray

[Chorus: Demarco]

Who said life was an easy road, a lot of people can't
even bare my load
Hustle everyday when we touch the road, yo mi just,
can't leave the streets
STREET LIFE!!! It give me money and my food and my
bills dem paid
STREET LIFE!!! Now everybody calls you plus because
you got shit made
STREET LIFE!!! Di house pon di hills wid di pool sittin
unda di shade
STREET LIFE!!! Oh Oh the STREET LIFE!!! Honor that!!!!

[Verse Two: Lil' Fame]

I live it for the homies that's gone (AND!!!) And the
homies that's still around
The O.G.'S that did it for years career criminals
For the homies locked down since the days of a
juvenile
Tryin to maintain in the game cause they just gettin out
(THEY LOST!!!) You got some livin in the now
You know them schisty ass individuals livin foul
He claim that he got it locked, but he still 'gon run to
the store
To get a dutch for the lil' homey on the block
The game's fucked up! Shit is reversed now
The hood is lookin like the suburbs now which way is
home?!
Just do what you always did or you 'gon get what you
always got
Get STABBED get SHOT, the street life

[Chorus: Demarco]

Who said life was an easy road, a lot of people can't
even bare my load
Hustle everyday when we touch the road, yo mi just,
can't leave the streets
STREET LIFE!!! It give me money and my food and my
bills dem paid
STREET LIFE!!! Now everybody calls you plus because
you got shit made
STREET LIFE!!! Di house pon di hills wid di pool sittin
unda di shade
STREET LIFE!!! Oh Oh the STREET LIFE!!! Honor that!!!!

[Outro: Demarco] (Lil' Fame)
