Ah! check it out, y'all

M.O.P. up in this motherfucker

You niggaz hear?

[Bill] M.O.P to the motherfuckin death

[Fame] Straight from the streets gettin cash

[Bill] Young black niggaz puttin crews in a smash

[Fame] The drug game put the name on the map

[Bill] Known for bustin caps

[both] And takin over like the Japs

[Bill] We leave you dead stinkin butt-naked in a
second

We're niggaz that stopped sellin drugs to sell records

[Fame] You know it, I'm down to the very last breath

It's Lil' Fame

[Bill] Billy Danzenie

[both] And M.O.P. to the death

(3x)

To the death!

[Lil' Fame]

It's M.O.P. to the death, my peoples move quiet like a
mason

A strong black nation, the last generation

In the Ville catchin wreck was big fun

Quick to pull the triggers, little niggaz with big guns

Before niggaz chase me niggaz gotta face me

I walk with my gun cocked and clicked on safety

M.O.P. niggaz always ready to gat cha

I catch a cap for my niggaz if I have to

You feel the pain, you niggaz know the name

Cause this shit ain't a game

We blow shit out the frame

When I'm smokin and drinkin I do deep thinkin

About my peeps underground, because I'm down till

I'm dead and stinkin

This shit is real, so you can't make a mistake about us

Lettin you niggaz know it ain't nothin fake about us

Yeah, I'm kin to the end with all my niggaz that left

It's Lil' Fame and M.O.P. to the death

To the death!
It's M.O.P. to the motherfuckin death
To the death!

[Billy Danzenie]

Aiyo, I'm sentenced to Clint', but fuck it
At least we're all all in this together
Me and mine swing it back to back forever
And I'm salutin my niggaz
Straight up, cause they're true to the game
And mad fast on the triggers
The Last Generation, we're all that's left, the
hometeam
We're trump tight to the death
To all the crews that will be mashed and bruised
We don't doubt you
It's just that we don't give a fuck about you
Comin through representin
My niggaz on the Island
Kaksackie and way up in Clinton
M.O.P.'s with me, D-a-n-z-e, the danze
It's not a joke when ya come my motherfuckin man
You frontin for nuthin
Bring it if you want sumthin
My family get down, all my peoples'll bump sumthin
One thing about us, these is real niggaz
They like to kill niggaz
Get down with dirty Brownsville niggaz

Ah!

(3x)

To the death

Plow! bitch-ass nigga
You niggaz hear
M.O.P. up in this motherfucker
Primetime, nigga
Fuckin with me
