[Li'I Fame]

Say what, say what, say what?

[both]

I'm packin blue steel (3x)

[VERSE 1: Li'I Fame]

Plow! I'm shootin muthafuckas in the belly

Spread em like jelly, play em like skelly

I'm representin for the real niggas

Fake moves, make moves, you fuck around, I have to
kill niggas

I pack a nine that have em wanna box

With a gun or I can knock em out the box with a ox

Niggas gotta pay the piper then

And I know you're mad, cocksucker, because it ain't no
type of wins

Niggas throw rhymes, I throw rhymes back

If niggas wanna throw crime, I throw crimes back

If niggas wanna throw props, I throw props back

Them niggas wanna throw shots, I throw em back and
lay em flat

So if you ever think of tryin to get loose

I do your ass like Bishop did Rahiem in _Juice_

Kid, I'm tellin you now you can't afford it

And I bust a nigga ass quick on the mic that's extorted

Crazed, I rock for days on blaze with Laze E Laze

You niggas get blazed, the Fame can't be fazed

Huh, you couldn't make us for a try out, punk, you die
out

I wet shit up even when I got the dry mouth

It's time I let em know the deal

Nowadays shit is real, so I'm packin blue steel

[Billy Danzenie]

Say what, say what, say what?

[both]

I'm packin blue steel (3x)

[VERSE 2: Billy Danzenie]

Clack-clack, salute from the ill nigga Bill

I represent Gunsmoke Hill, I'm packin blue steel

I'm comin at you to take your wealth

If I endanger your health that's cause you did that your
damn self

I blow your muthafuckin back out, I keep a ill feelin

I'm wide open like ?John Dillon?
When you come, you better be armed, son, see, I works
with mine
You know what's happenin to you, it's 'hammer time'
Out the streets a real raw man
I'm top dog, man, I'm your connection with the morgue
man
For my peoples I put 2 in your face
(Clack-clack) ?????? with some ??????
Cause Danzine ain't fakin no jammers
A herb nigga tremor, real niggas ??????
It's cool to see em bangin for that new school
And all my niggas, they work with they tools
[Billy Danzenie]
So make a move (make a move)
Lick shot (lick shot)
[Li'l Fame]
Make a move (make a move)
Lick shot (lick shot)
[Billy Danzenie]
Make a move (make a move)
Lick shot (lick shot)

[Li'l Fame]

[Li'l Fame]
But first I wanna get some, you really gonna diss em
Cause I'ma blast his muthafuckin ass like a ?system?
[Billy Danzenie]
Yo, if you go we all do, cause you know we all crew
Somebody fuck with me, I know they got to fuck with
you too
And cocksucker, you want it
In your next life you're nailed just like the last bitch
nigga that fronted
[Li'l Fame]
So if you want beef just set it
Because it don't cost nothin to send your ass to the
paramedics
The four-pound'll make em hit the ground
So buck em down (buck em down)
Buck em, buck em, buck em down
[Li'l Fame]
