Hey baby, it's getting late now
And the years are rollin' on
Ain't no time to take it easy now
We been goin' too long

It's dirty, it's a pity
And time ain't exactly on our side
That ain't no reason now
Not to give it a try

Don't look inside the mirror
Your time is drawing nearer
How many dues do I have to pay
Before they take my soul away?

Sick of being unforgiven
But there's blue skies overhead
A dirty way to make a livin', yeah
But somebody's got to do it

I'm a lover, not a loser
I'm a lonely heart's one night stand
Not a penny in my pocket
Nor a dime in my hand

Don't look inside the mirror
Your time is drawing nearer
How many dues do I have to pay
Before they take my soul away?

If you've been hurt by love before
You don't think you can take anymore
I think it's about time you evened the score
Let's hit the door

Nobody said it was easy
Nobody said it was easy
Nobody said it was easy
Nobody said it was easy

Nobody said it was easy
Nobody said it was easy

Nobody said it was easy
