

Frantic Hello "Sick Of You"

Visit "[Sick Of You](#)" on MotoLyrics.com

Just say what you want from me, cause I can't take it
anymore

Your constant whining and nagging, has pushed me
through the door

You can't expect for me to read your mind all of the
time

You can't expect for me to read your mind all the
damn time

Cause GOD, I'm so sick of you, but you won't let me
go

You had me feeling so confused, like it was all my fault
And now I'm saying that I'm through, I'm leaving
you behind

So you tell me that I need you, I think you've lost your
mind

You took everything from me, like you didn't have
enough

Your constant crying and begging, makes me feel so
numb

You can't expect for me to do what's right all of the
time

You can't expect for me to do what's right all the
damn time

Cause GOD, I'm so sick of you, but you won't let me
go

You had me feeling so confused, like it was all my fault
And now I'm saying that I'm through, I'm leaving
you behind

So you tell me that I need you, I think you've lost your
mind

I won't be there

Waiting for you to be through

Living your life out there

I can't believe we thought I cared

GOD, I'm so sick of you, you treat me like a child

You make me feel so confused, like it's always my
fault

And now Iâ'm saying that Iâ'm through
But I can't leave you behind
Maybe I need you
I think Iâ've lost my mind
